STAT

MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Director of Central Intelligence
SUBJECT: Indications and Warning

1. Thanks very much for your extended comments on Dave McManis' statement on indications and warning. You do such a thorough job when I ask you for comments that I am reluctant to pile these things on you but it is so valuable that I continue to do so. I would like to talk to you further about this when I get back.

2. My attention was attracted by our comment about the limited degree to which the SAFE terminals are now available. I would like to get a view on how that's going, how useful they are and how rapidly they are likely to expand. I have had the briefing from Harry and his people.
